Dear Ms. Tubbs,

On behalf of Junior Achievement and the students we serve, I would like to thank you for your gift of \$5,000 received on December 11, 2024, in support of Junior Achievement programming in the Monongah participation in JA BizTown. Your contribution is ensuring that our programs are available to every child in our region, regardless of their district's ability to pay for these programs. Our mission of inspiring and preparing young people to succeed in a global economy empowers young people to have confidence in their future in this unique and uncertain time.

For over 80 years, Junior Achievement has been providing experiences that help students from elementary to high school develop the competence, confidence, and character to make smart academic and economic decisions. Last year, Junior Achievement's programming reached 66,166 students thanks to caring and dedicated volunteers and partners in western Pennsylvania and northern West Virginia. We could not do this without your continued support.

Please visit our website at www.westernpa.ja.org to learn more about the many programs and initiatives we are offering to students, teachers, and parents. **Volunteer opportunities are also available for you and your organization.** Please call us or visit our website for more details.

Sincerely,

A handwritten signature in black ink that reads "Patrice Matamoros".
