October 5, 2024

On behalf of the Stonewood Volunteer Fire Department (SWVFD), thank you for your generous support of the 2nd Annual Stonewood Firefighter's Festival. With your support, the event raised more than \$38,000 for the Department, which ensures that critical emergency services will not be hindered.

This year the SWVFD was able to purchase, with event proceeds, a new Jaws of Life Hydraulic Rescue System for use when rescuing accident victims in the field. The members of the department were able to demonstrate the new equipment at this year's event. Below is a photo from the demonstration.

Because of your support, we were able to add more entertainment options, new carnival rides and stage the first Miss Stonewood Volunteer Fire Department pageant. Julie Koontz was named the overall winner of the pageant and will represent the department at the WV Fairs & Festival Pageant in January 2025. Below is a photo of Julie and Miss West Virginia, Jennifer Reuther, who hosted the pageant.

The Stonewood Volunteer Fire Department is devoted to providing the City of Stonewood and surrounding area with the best emergency services possible. Our volunteer members are proud of their commitment to the community and give their time to meet their needs.

The Department could not do what it does without the generous support of a caring and participatory community. We are thankful that you are part of our community. Thank you again for your sponsorship of the Stonewood Firefighters Festival and the Department. We hope to see you next August 1-3, 2025, for the third annual festival.

With warm regards.
