Good morning,

A check payment was issued on 12/28/23 for this sponsorship, because of a returned payment due to their account being closed. Can we give it a few days for United Community Ministries to receive the check before voiding & reissuing payment? I will be sure to update their payment information, so that future payments will be issued via ACH to their new account they've provided.

Hi Kevin,

Happy New Year! You must be busy, I just tried giving you a call back and missed you. So sorry for the inconvenience- it looks like United Community does not have our updated bank account information on file with MVB, so we have not yet received the \$1k gift that you directed.

I've attached the receipt of the EFT we received from this email address notifications@ascend.banktel.com on 12/21/2023. The EFT was attempted to be delivered to our account at Burke & Herbert which is now closed.

I've also attached a voided check that shows United Community's updated account info where the \$1k gift can be directed.

Again, apologies for the inconvenience and thank you so much for helping us resolve this issue! Please let me know if your team needs any additional information to make the transfer.

Thanks,
Ann
