Dear Herman,

Thank you very much for supporting Mon Valley Habitat for Humanity's 2025 Raise the Roof event! Your \$1,000 donation helped make this year's event a success. Your gift will help provide the opportunity for a hard-working family to own a home – a chance for a new start.

Every person should have a safe place to call home, and because of your contribution, this will be a reality for more families in Mon Valley. Your donation will support our building of more affordable, energy-efficient and healthy homes. We are building strength, stability and self-reliance through shelter, empowering our partner families.

We are finishing construction on three homes in Fairmont on Robinson Street, and our partner families will move into their new homes by the end of the year. If you have questions about the project or would like to know more about Mon Valley Habitat for Humanity, please let me know.

We value our continued partnership with your entire family – thank you for making our vision a reality. You are *truly* making a difference!

With gratitude,
