Rachel,
I'd like to do this one again. Probably comes out of overflow.
Thanks,
Amy

Hi Rach!

I hope you and the family are well!

I want to thank you and MVB Bank so much for being a supporter of the festival again last year!

Just a quick update on how that went:

Our second year of the festival was a huge success (a few photos attached below). We showcased 50+ amazing films that represented 8 Appalachian states. We even upped our food and beverage game and had Short Story Brewing provide amazing craft beer and Stone Tower Coffee bring the caffeine! We also gave all the attendees these really snazzy lanyards with MVB Bank logos on them. :) Overall, it was an amazing showing from the creative community.

We're once again looking to build off that momentum for our 2025 festival that is happening again at the Robinson Grand Performing Arts Center on **Oct 2nd - 5th**.

Would MVB be interested in being our lanyard sponsor (\$2,000) again for our 2025 Mtn Craft Film Festival?

Talk to you soon,

 **PLEASE "REPLY ALL"!**
